ENGINEERS DAY 2026 – STUDENT COMPETITIONS

All students are hereby informed that **Engineers Day 2026** will be celebrated through a series of technical and creative competitions aimed at promoting **innovation, creativity, technical skills, entrepreneurship, and problem-solving** among students.

The following competitions will be organized:

1. POSTER COMPETITION

Theme: *"Engineering a Better Future: Innovation for a Sustainable World"*

Students may choose any one of the following topics:

- Green Technology
- Smart Cities
- Renewable Energy
- AI & Automation
- Sustainable Development
- Technology for Society

2. PPT PRESENTATION COMPETITION – MANDATORY FOR ALL STUDENTS

Theme: *"Engineering the Future: Technology, Entrepreneurship & Digital Transformation"*

Participation in the PPT Presentation Competition is **compulsory for all students.**

Students may prepare their presentation on any one of the following topics:

- AI & Emerging Technologies
- Industry 4.0
- Startups & Entrepreneurship
- Digital India
- Cyber security
- Future of Jobs & Skills
- Technology-driven Business
- Internet of Things (IoT)

3. BUILDATHON

Theme: *"Innovate • Collaborate • Create Impact"*

Students are invited to turn their ideas into impactful solutions by building innovative prototypes that solve real-world challenges through creativity, collaboration, and technology.

IMPORTANT DATES

All Competitions: 12th **(BUILDATHON)** & 14th **(POSTER & PPT)** September 2026
Winner & Runner-up Announcement and Felicitation: 15th September 2026

HACKATHON PRIZES

1st Prize – ₹ 5,000
2nd Prize – ₹ 2,000
3rd Prize – ₹ 1,000

All students are requested to register through the **Google Form** and provide the required information carefully.

REPORT ON ENGINEERS' DAY 2026

Theme: "Engineering the Future"

1. Introduction

Netaji Subhas Institute of Technology, Amhara, Bihta organized a series of technical and creative activities on the occasion of **Engineers' Day 2026** with the theme **"Engineering the Future."** The celebrations were aimed at providing students with a platform to demonstrate their creativity, technical knowledge, innovation, presentation skills, teamwork, entrepreneurship, and problem-solving abilities.

As part of the celebrations, the following activities were organized:

1. AI Product Buildathon
2. Poster Competition
3. PPT Presentation Competition

2. Objectives of the Program:

The major objectives of organizing the Engineers' Day activities were:

- To encourage students to think creatively and innovatively.
- To develop technical and problem-solving skills among students.
- To provide students with opportunities to present their ideas and solutions.
- To promote awareness of emerging technologies and their applications.
- To encourage teamwork, collaboration, and entrepreneurial thinking.
- To provide practical exposure through project-based activities.
- To encourage students to explore technology-driven solutions for real-world problems.

NETAJI SUBHAS INSTITUTE OF TECHNOLOGY AMHARA BIHAR PATNA

3. AI Product Buildathon

Event: BUILDTHON – AI Product Buildathon

Date: 12th September 2026

Theme/Punch Line: "Imagine. Innovate. Build. Win It."

The AI Product Buildathon was organized as a hands-on innovation and product-building activity. The program provided students with an opportunity to transform their ideas into technology-driven product prototypes using Artificial Intelligence and digital technologies.

The activity focused on encouraging students to identify real-world problems, develop innovative ideas, create prototypes, and present their solutions.

Key Highlights

- Idea generation and problem identification
- Development of AI-based product concepts
- Prototype building
- Teamwork and collaboration
- Product presentation and pitching
- Practical exposure to AI and emerging technologies
- Innovation and entrepreneurial thinking

The event encouraged students from different academic backgrounds to participate and explore the possibilities of AI-based solutions.

Buildathon Registration Details

Registration Fee: 200 per student
Maximum Team Size: 4 students
Registration Last Date: 11th September 2026

Prizes:

Position	Prize
1st Prize	5,000/-
2nd Prize	2,000/-
3rd Prize	1,000/-

4. Poster Competition

Date: 14th September 2026

The Poster Competition was organized to encourage students to communicate engineering concepts and innovative ideas through creative visual representation.

Theme: "Engineering a Better Future: Innovation for a Sustainable World"

Topics:

- Green Technology
- Smart Cities
- Renewable Energy
- AI & Automation
- Sustainable Development
- Technology for Society

Students prepared posters highlighting innovative ideas and technological solutions related to sustainability and the future of society.

The competition provided students with an opportunity to combine technical knowledge, creativity, design skills, and awareness of contemporary engineering challenges.

5. PPT Presentation Competition

Date: 14th September 2026

The PPT Presentation Competition was organized as an important part of the Engineers' Day celebrations. **Participation in the PPT Presentation Competition was mandatory for all students.**

Theme: "Engineering the Future: Technology, Entrepreneurship & Digital Transformation"

Topics:

- AI & Emerging Technologies
- Industry 4.0
- Startups & Entrepreneurship
- Digital India
- Cyber security
- Future of Jobs & Skills
- Technology-driven Business
- Internet of Things (IoT)

Students prepared and presented their ideas on emerging technologies, entrepreneurship, digital transformation, and the changing role of engineering in the future.

The activity helped students develop their **presentation, communication, research, analytical, and public-speaking skills**.

6. Winners' Announcement and Felicitation

The winners and runners-up of the competitions were announced and felicitated on:

15th September 2026

Certificates/prizes were presented to the deserving participants and winners as per the competition guidelines.

Annexure I: List of Participants

7. Student Participation

The Engineers' Day activities witnessed enthusiastic participation from students across different branches/years of the institute.

Total Number of Participants: 368

Poster Competition: 66 participants

PPT Presentation Competition: 368 participants

AI Product Buildathon: 62 participants/teams

The active involvement of students reflected their interest in innovation, technology, creativity, and engineering-based problem solving.

8. Outcome of the Program

The Engineers' Day 2026 activities provided students with valuable opportunities to:

- Apply theoretical knowledge to practical situations.
- Explore emerging technologies such as AI, IoT, and Industry 4.0.
- Improve their communication and presentation skills.
- Develop creative and innovative thinking.
- Work collaboratively in teams.
- Understand the importance of sustainability and technology for society.
- Develop entrepreneurial and problem-solving abilities.
- Gain confidence in presenting their ideas before an audience.

9. Conclusion

The celebration of **Engineers' Day 2026** at **Netaji Subhas Institute of Technology, Amhara, Bihta** provided a meaningful platform for students to showcase their technical knowledge, creativity, innovation, and problem-solving abilities.

The activities, AI Product Buildathon, Poster Competition, and PPT Presentation Competition, successfully complemented the theme **"Engineering the Future"** by encouraging students to think beyond conventional approaches and explore innovative solutions for the future.

The program concluded with the announcement and felicitation of winners and runner-ups on 15th September 2026.

The event was successfully conducted with the active participation and cooperation of the students, faculty members, coordinators, and organizing team.
